

QSC K10

10" + 1.75" High Powered Speaker (500w + 500w)

Order code: K10

RRP: \$1,499.00

Our Price: \$1,199.00

K Series is quite the darling of the powered speaker set. This is a smart series that ticks all the boxes - looks good, built strong, fantastically featured back panel, 2 x 500w onboard amps for power, a 7.5 degree tilt-able pole mount and most importantly, a great sound. K10 is a true multi-purpose powered PA Speaker.
