

GENELEC 8050BPM

Active Nearfield Monitors (Each)

Order code: 8050BPM

RRP: \$2,960.00

Our Price: \$2,575.00

Bi-amped with 150w going to the 8" woofer and the 1" tweeter.

Accurate monitoring from 38 Hz - 20 kHz, and suited to the professional environment; large recording and production studios.

Includes 'Iso-Pod' mounts for accurate placement in your demo CD and hold your breath - it may be taken away.

Intelligent Signal Sensing (ISS) Reduces power consumption to less than 0.5 watts by automatically switching the active monitor to standby, when no signal has been detected for some time. When an audio signal is detected again, the loudspeaker turns back on.

ISS is fully compliant with the latest EU requirements and the ErP 2013 Directive for electronic devices.
