

NEUMANN KH310ALG

3-way Active Studio Monitor (Left Speaker)

Order code: KH310ALG

RRP: \$3,249.00

Our Price: \$2,749.00

For uncompromising studio monitoring, Neumann's 3-way active KH310A monitor must be on the list.

Tri-amped, each of the three drivers are perfect with the appropriate Class AB amplifier:

Woofer: 210mm (8 1/4"), 150w
Midrange: 75mm (3"), 70w
Tweeter: 25mm (1")

Add to that the Mathematically Modeled Dispersion Waveguide, a range of controls on the back, independent acoustic (dip) controls for Bass, Low Treble, output level, and input gain, and KH310 is a seriously good studio monitor.

Note: This is the LEFT speaker, you will also need KH310ARG for the RIGHT speaker
