

CANARE MR202-12AT100

12-way Multicore Cable (100m roll)

Order code: MR202-12AT100

RRP: \$2,160.00

Our Price: \$1,750.00

Canare MR202 is our go-to multicore solution for a wide number of situations.

This 12-channel version is basically like having 12 lengths of Canare L-2B2AT, wrapped together in a protective jacket.

Multichannel cable for studio applications. Ideal for (duct) wiring and for interconnecting devices in a rack. Color coding for channels conforms to international standards pertaining to color coding for resistance. Internal drain wire eliminates the troublesome line termination work.

12-way multicore cable
12.7 mm cable O.D.
