

REFERENCE PWC050-BPIG

Powercon Lead (Piggyback to Blue) - 55cm

Order code: PWC050-BPIG

RRP: \$41.00

Premium PowerCon mains input lead, handmade by Factory Sound.

We've used genuine Neutrik PowerCon connectors to make these input leads, and they'll suit a variety of active subwoofers, active mid-high speakers and a bunch of lighting fixtures that require input via cable. Flexible 1.5mm cable with a hard-wear rubberised coating helps to ensure the lead is lasting and the piggyback plug on one end makes power patching simple.

Length of cable: 55cm

Our PowerCon mains input cables are available in a variety of lengths

Also available: S-PWCBPWCG1 Powercon Input cable
