

ALLEN & HEATH SQ-5

48 channel, 96kHz digital mixer (16+1 faders)

Order code: SQ-5

RRP: \$5,499.00

Our Price: \$4,860.00

Allen & Heath SQ series mixing console on their latest generation 96kHz FPGA XCVI That's 96kHz, right out of the box. SQ Series mixers are designed to deliver pristine resolution audio with a class-leading latency of $\leq 0.7\text{ms}$.

SQ is more than a mixer - it's a complete mixing system. Choose from any A&H digital audio rack or expander to boost your input channel count as you grow. From the 'grab-a-handle' A through to the rack mount AR84 or AR2412, all high-resolution DX168 (developed for dLive), inputs will be treated nicely.

SQ-5

16 onboard preamps 16+1 faders 48 channel / bus

Rack mountable 96 assignable channel strips

*Optional Dante card expected end Jan 2018
