

## ALLEN & HEATH SQ-6

48 channel, 96kHz digital mixer (24+1 faders)

Order code: SQ-6

RRP: \$6,499.00

**Our Price: \$5,670.00**

Allen & Heath SQ series mixing console on their latest generation 96kHz FPGA XCVI That's 96kHz, right out of the box.

SQ Series mixers are designed to deliver pristine resolution audio with a class-leading latency of <math>\leq 0.7\text{ms}</math>.

SQ is more than a mixer - it's a complete mixing system. Choose from any A&H digital audio rack or expander to boost your input channel count as you grow. From the 'grab-a-handle' / through to the rack mount AR84 or AR2412, all high-resolution DX168 (developed for dLive), inputs will be treated nicely.

SQ-6

24 onboard preamps 24+1 faders 48 channel / bus

Assignable Soft Rotaries 96 assignable channels

\*Optional Dante card expected end Jan 2018
